

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, April 15, 1966. The meeting was called to order by President Foster J. Sanders, with all Board members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Preston Holland.

Don Davis moved, seconded by Oran C. Teater, that the reading of the minutes of the March 18th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner gave a brief report on the state basketball tournament receipts and expenses. He stated that total ticket sales, as reported to the Delegate Assembly, would approximate \$168,000.00, with anticipated profits to the Association of \$127,000.00.

There was a discussion of possible re-districting affecting basketball Regions 3 and 5. The Commissioner presented letters from eight principals of the two districts involved in the proposed re-districting. Five principals were in favor of the change, two were not opposed, and one was not in favor of the change. After a general discussion of the requests for re-districting, Sherman Gish moved, seconded by Oran C. Teater, that Meade County schools be removed from Basketball District 11 to Basketball District 17. The motion was carried unanimously.

Upon recommendation of the Commissioner, Oran C. Teater moved, seconded by Morton Combs, that the insurance subsidy for each member school for 1966-67 be a basic amount of \$40.00, with an additional subsidy of \$60.00 for each school maintaining football. The motion was carried unanimously.

Sherman Gish moved, seconded by Preston Holland, that the Commissioner be directed to sign a two-year contract with the Kentucky State Fair Board for the rental of Freedom Hall in 1967 and 1968 as the site of the State High School Basketball Tournament. The motion was carried unanimously.

The Commissioner stated that he had received several inquiries recently concerning the possibility of Gymnastics being sponsored as an official K.H.S.A.A. interscholastic sport. He stated that several member schools of the Association currently have teams in Gymnastics. Ralph C. Dorsey moved, seconded by Oran C. Teater, that the Commissioner be directed to send out a questionnaire to the principals of K.H.S.A.A. member schools in an effort to determine whether or not there is now enough interest in Gymnastics to warrant the Association including this sport in its interscholastic program. The motion was carried unanimously.

The Commissioner presented a request from Prin. Fred Murray of the Madisonville High School concerning the moving of Madisonville to another football district in which most of the teams involved are currently on the Madisonville schedule. Sherman Gish moved, seconded by Don R. Rawlings, that the Madisonville High School be moved from Region 1, District 2, to Region 1, District 1, in Class AA football. The motion was carried unanimously.

Sherman Gish moved, seconded by Don Davis, that Ralph C. Dorsey and Morton Combs be named delegate and alternate respectively to the forthcoming summer meeting of the National Federation of State High School Athletic

Associations. The motion was carried unanimously.

Sherman Gish moved, seconded by Preston Holland, that all bills of the Association for the period beginning March 1, 1966, and ending March 31, 1966, be allowed. The motion was carried unanimously.

The Commissioner stated that he had asked representatives of the Central High School (Louisville) to meet with him at 2:00 P.M. for a hearing in connection with a possible violation of K.H.S.A.A. By-Law 17 on March 12, 1966, by representatives of the school; and that he wished to conduct the hearing with members of the Board present. He further stated that, in the event an appeal from his decision should be taken, the Board would have heard the evidence presented, and would be in a position to make its decision. The Board acceded to his request.

The Central High School hearing convened at 2:15. Present at the hearing were the Commissioner, the Assistant Commissioner, and all members of the Board of Control; Prin. J. W. Hackett and Mr. Perry, a teacher, of the Central High School; Assistant Superintendent Robert L. Sanders of the Louisville City Board of Education; and Mr. Harry S. McAlpin.

The Commissioner asked Assistant Commissioner J. B. Mansfield to present certain signed statements which he had accumulated in connection with the case, including statements made by Tournament Manager Arthur Moody and the principals of the four schools which had teams in the regional tournament final session held at Freedom Hall, Louisville, on the evening of March 12, 1966. After the statements were read by Mr. Mansfield, the Commissioner explained the implications of K.H.S.A.A. By-Law 17, Practice of Sportsmanship, and the four Central High School representatives mentioned previously made statements concerning their knowledge of certain incidents which happened on March 12. After a general discussion period, the Commissioner ruled that the Central High School, in his opinion, was guilty of violating K.H.S.A.A. By-Law 17 on the evening of March 12, 1966; and that the following penalty should be imposed; 1) The Central High School shall be placed on probation for a period of two years from date, and 2) the Central High School shall be suspended from the Kentucky High School Athletic Association for the forthcoming month of December.

The Commissioner asked Mr. Hackett if he wished to appeal the decision. The Central representatives retired from the room for a short period of time. After they returned, Mr. Hackett stated that he did wish to make an appeal from the decision of the Commissioner.

President Sanders asked Vice-President Preston Holland to conduct the appeal hearing. Mr. Holland complied with this request, asking individual members of the Board of Control to ask any questions and make any statements which had a bearing on the case. He also asked Mr. Hackett and members of the Central group to give any reasons for their belief that the penalty imposed by the Commissioner was too severe. All members of the two groups complied with this request.

At the conclusion of the appeal hearing, the Central representatives retired. The Commissioner stated that, in the light of some of the statements made during the appeal hearing, he would recommend that the Board consider reducing the penalty.
