FOR IMMEDIATE RELEASE: SEPTEMBER 21, 2009

ANNUAL MEETING SET FOR TUESDAY

The Kentucky High School Athletic Association's Annual Meeting of member schools is scheduled for tomorrow, beginning at 8 a.m. at the Lexington Convention Center. The meeting opens with breakout sessions for delegates. At 11 a.m., there will be an open comment session for member delegates. There are no proposals from member schools under consideration this year. The only proposal, which would have amended Bylaw 8 by allowing basketball players to play for organized teams besides a school team from the beginning of school until October 15, was withdrawn by its author on Monday.

BOARD OF CONTROL APPROVES CHANGES TO STATE TENNIS CHAMPIONSHIPS

The KHSAA Board of Control approved a measure that changes the method of determining the team championships at its regular September meeting. Beginning in 2011, team play consisting of two singles and two doubles teams will determine an overall team champion. Currently at the KHSAA Tennis Championships, points are awarded for each successful round of individual play with team titles presented based on total points.

The change allows for the same format to continue in recognizing singles and doubles champions but will now allow for a team champion from actual play of two singles and two doubles entered into the competition. This will increase the number of matches played at the state level but no additional days will need to be added to the competition.

"The change comes from a recommendation from the Tennis Advisory Committee," said KSHAA Assistant Commissioner Butch Cope. "It should help strengthen our event as well as provide additional opportunities for competition."
