## **WHITAKER NAMED NFHS BASEBALL COACH OF THE YEAR**

Harrison County baseball coach Mac Whitaker has been named the national baseball coach of the year by the National Federation of State High School Associations.

Whitaker led the Thorobreds to the 2010 state championship, the fourth for the school under his watch. During his 33 years as the head coach at Harrison County, the program has compiled a record of 913-260 with many of his players continuing their careers at the collegiate and professional levels. Whitaker also enjoyed a successful tenure as the school's girls' basketball coach, leading the Fillies to 10<sup>th</sup> Region championships in 2000 and 2002. He has also served as the school's athletic director.

Whitaker, who became only the fourth coach in state history to win 900 games during the 2010 season, trails only Larry Gumm (Green County), Don Richardson (Madison Central) and Bill Miller (Pleasure Ridge Park) on the state's all-time victories list.

### **SCHOOLS PENALIZED FOR SPORTSMANSHIP VIOLATIONS**

Kentucky High School Athletic Association Commissioner Julian Tackett has announced the boys' basketball programs from Hart County High School and Warren East High School have been penalized for violations of the Association's Sportsmanship Bylaw (Bylaw 11) following an incident during the January 10, 2011 contest at Warren East High School.

The contest was ruled final and Warren East leading, 61-57, after an outbreak of incidents on the court involving players from both schools midway through the fourth quarter.

A total of 13 players from both schools will miss a total of 26 games for their roles in the incident, while each school's boys' basketball program was fined \$500 and placed on probation through the remainder of the 2010-11 playing season. Six Hart County players will sit out a total of 16 games while seven players from Warren East will miss a total of 10 games. Suspended players from both teams must also complete the Star Sportsmanship Program.

The Commissioner issued the ruling following a detailed review of the incident and after communication with administrators and coaches from both schools.

"Good sportsmanship and appropriate security at contests are important tenets to the interscholastic athletic program. I'm sure both schools have learned a lot from this incident and we're moving forward," said Tackett. "To their credit both schools were extremely cooperative throughout this process and are taking steps to ensure something like this does not happen again."

For further comment please contact the administration at Hart County or Warren East.
